Principals' Welcome

It is a pleasure as Joint Principals of Minsthorpe Community College to welcome you to our College.

We feel proud and privileged to be entrusted with the shared responsibility for the welfare and education of your children. We have served as teachers and leaders together at the College for more than twenty years and are passionate about providing the young people of the South Kirkby, South Elmsall, Upton and surrounding areas with enriching educational opportunities and an engaging curriculum, which promotes lifelong learning. We know the college well and aim to build on its many strengths. Experience tells us that children learn best in a calm, orderly and safe

environment and, as Principals, we intend to maintain the high expectations and quality learning, teaching and behaviour established over many years, which consistently lead to great outcomes for our students.

We cannot achieve this alone. We firmly believe in our ethos of 'Team Minsthorpe' involving students, staff, parents/carers and governors and express this in our College vision: Minsthorpe Community College: A place where everyone plays a part in strengthening our learning community through **motivation, commitment and care.**
