

November 2022

Dear Parent/Carer

**Re – Knowledge Assessments Targeted Academic Support**

Your child has been selected to receive tuition lessons based on their Knowledge Assessment scores. These are small group sessions which will be individualised to students' needs and will be taught by a member of our Student Support team. The focus of the sessions are to enable students to work on key areas which they need to develop to enhance their revision and knowledge retention skills. The sessions are designed to increase students' knowledge and therefore their confidence.

**The sessions will start week commencing 21<sup>st</sup> November 2022 for FOUR consecutive weeks after school on a Wednesday or Thursday.**

We know that if students are committed to the sessions then their confidence and grades will increase.

Parental support is crucial to this programme. We will inform you via text message of your child's allocated session day and the location of their sessions.

If you have any further questions please do not hesitate to contact us at the college.

Yours sincerely

*K McGowan*

Mrs K McGowan  
Assistant Principal  
Assessment and Outcomes
