Dear Parent/Carer

Pre-Loved Uniform Scheme

We would like to offer a pre-loved uniform scheme for all our families.

According to the latest research, parents in Yorkshire unnecessarily threw away more than 100,00 school uniform items in 2019, despite the fact they were still in good condition, and one in ten simply throw away outgrown uniform. That paired with the fact that the cost of living is rising rapidly, we feel there is a need to make a change.

If you have any items you feel your child has outgrown but is still in good condition, please consider donating to us. We will accept all clean items, blazers, trousers, branded skirts, ties, PE kit etc. All items can be brought to school reception on Friday mornings, there will be a donation box available for items to be dropped in.

We will be holding a pre-loved uniform 'shop' on Thursday 30th June in the Main Hall 3.30pm – 5pm.

We also work with local charitable organisations; The Bag Fairies, Westfield Centre Foodbank and Friends of the Community, using referral-based support. If you would prefer to contact them directly, please see the contact details below.
