Dear Parent / Carer

Re: Examination Information Session for Year 11

On Thursday 14th March 2024, we would like to invite you to a presentation in the Main Hall where you will be given key information regarding the examination period including examination preparation sessions, study tips, exam arrangements and ways in which you can support your child during this period. You will also be able to collect your child's statement of entry at this event. The session will begin at 5.30pm.

This period of time can be really stressful for youngsters, however if parents are aware of key arrangements and support available then this can help them. Attending the session with your child will ensure you are fully aware of what will happen during the exam season and what students need to do in the last push in order to succeed.
