

February 2026

Dear Parent/Carer,

On Wednesday the 13th February we have the theatre company 'Split Second' return to us (following the success of their Road Safety input) to deliver their engaging dramatic performance, please see more details about this below:

Smashed Live, our free alcohol education programme. The hour-long event begins with a theatrical performance charting the lives of three teenagers and their experiences with alcohol. This is followed immediately by an interactive workshop exploring:

- The social and emotional causes of underage drinking
- Its impact on young lives
- Social influence and decision-making
- Where and how to help yourself and others

More about the project here: [Smashed Live Case Study - Collingwood Learning](#)
