

May 2023

Dear Parent / Carer

Re: May Commitment – Design & Technology Group 11A – Session 2

This May half term, we are offering targeted commitment sessions in order to enable your child to achieve.

Your child has been specially selected to attend Design and Technology on Wednesday 31st May 2023, from 10.45am – 12.15pm.

To secure your child place please click <https://forms.office.com/e/qR8ppEZqC6>

For a full day's session students will be allowed to leave the site at lunchtime and must return for the afternoon session. Alternatively, they may bring a packed lunch to eat at college. If a student is leaving site, they must sign in and out at reception.

Students attending must enter the college site at the main reception gate next to the Hub at the front of college. Students will then be registered with the appropriate member of staff running the session.

Encouragement from home is vital at this important time and we thank you for your continuing support.

Yours sincerely

K. McGowan
