Dear Parent/Carer

We are pleased to let you know that we have recently moved our Management Information System (MIS) to Arbor.

This change will enable us to communicate with you more effectively and brings all key college information together in one secure system.

We have now launched the Arbor Parent Portal and Parent App, which will soon replace the School Gateway app, and an account has been created for you. To complete your account setup, you simply need to create a password. Your username is the email address to which this message has been sent.

To get started, please visit <https://login.arbor.sc> and click Forgot your password? to set your password.

The Arbor Parent App is available to download from the Google Play Store on Android devices and the Apple App Store on iPhones.

If you need any support, there are a range of helpful guides available on the [Arbor Help Centre!](#) Should you have any questions, please contact the college on 01977 657600 or email [enquiries@minsthorpe.cc](mailto:enquiries@minsthorpe.cc).

We hope you enjoy using this new system and find it a positive addition to the support of your child's education.

Yours sincerely

MCC
