

6th November 2023

Dear Parent/Carer

Ofsted Inspection – 7th and 8th November 2023

Earlier today we received a phone call from Phill Walmsley, the lead inspector for the Ofsted Inspection that will take place over the next two days. We were last inspected in May 2018 and we were anticipating being revisited during this academic year or next. We are pleased to welcome the team into the college and to have the opportunity to share and discuss the work we are all doing to make Minsthorpe Community College the great place it is.

We are very proud to be Principals of the college. We are certain that our students will impress our visitors by demonstrating the College's values of Motivation, Commitment and Care as they do every day. The College will operate as normal throughout the inspection.

We greatly value your continued support and hope that you will find time to complete the Ofsted Parent View questionnaire.

Yours sincerely

Mr M Gilmore
