

# Reverse Advent Calendar 2023

Once again throughout December we will be collecting donations of food and other small items from all staff and students in college for a local foodbank.

If you have anything you would like to donate your son/daughter can place it in the box in reception on their way into College each day. The food bank suggest:

**Drinks:** Tea, coffee, sugar, UHT milk & dilute fruit juices,                      **Jars of sauce:** Bolognese, Pasta, Curry

**Tins:** Soup, fish, meat (including corned beef), beans, vegetables, tomatoes, ravioli, hoops & fruit

**Packets:** Dried pasta, instant pasta, rice, noodles & sauces                      **Cooking:** Stock cubes and gravy granules

**Desserts:** Rice pudding, custard,                      **Biscuits:** Sweet and Savoury

**Toiletries:** Soap, shampoo, shower gel, shaving foam, nappies, & wipes, toilet rolls

If everyone (staff and students) brought in one item only, we could get almost 2000 items! However, this is voluntary and we are acutely aware some of our students' families may not be able to donate, so no pressure.

Donations will be going to: Westfield Food Bank (South Elmsall)
