Dear Parent/Carer

**Re: Unique Opportunity to be part of the Choir**

We are delighted to be able to offer an exciting opportunity to the college vocal group.

Further details are included on the letter from Warp production.

Your child has been chosen to be offered this opportunity due to meeting one or more of the following criteria:

1. Their excellent engagement in extra-curricular activities in Creative Arts.
2. Their overall commitment to the vocal group

Our young people involved will gain an invaluable insight into the production of a TV drama and the range of future job roles in the creative industry.

We have been approached to be featured in the soundtrack of an upcoming Netflix series that was filmed at Minsthorpe Community College in the summer, where some of our students were extras. This means that our talented students will have the chance to participate in a professional recording and their voices will be heard by audiences across the world.

This unique opportunity not only showcases the hard work and talent of our vocal group, but also give students a valuable, real-world experience in the music and entertainment industry. The recording process will take place at The Grove, South Kirby over two days:

**Wednesday 23<sup>rd</sup> October 9-4pm**

**Friday 25<sup>th</sup> October 9-4pm**

Transport will be provided to and from school. Your child must attend school in the morning to get their registration mark, from which they will meet the transport to go to The Grove, South Kirby.

To allow the young people to be involved, Warp Films will apply for a Body of Persons Licence from Wakefield Local Authority. To support this process, we need you to agree to Minsthorpe Community College sharing contact details with Warp Films. You will have received a letter from the production company, this will need completing ASAP and returning with all the relevant documents, to the email address provided on the letter.
