

October 2026

Dear Parent/Carer,

As we approach the October half term break, we would like to provide you with an update regarding teaching groups in Year 7. Due to delays on receiving Key Stage 2 SATs Results, alongside gathering and analysing teacher assessment information, we have been carefully reviewing the most appropriate teaching groups for our Year 7 students. Having now completed this process, a number of students will move groups in some subjects after the break.

These changes have been made to ensure that lessons are appropriately pitched to students' current level of attainment and to provide the right level of challenge and support so that every student can make the best possible progress. Group movements are a normal part of our ongoing assessment process, and any changes are made with the students' success in mind.

New timetables will be issued to students on Monday 2nd November 2026. These will clearly show any changes and ensure that students know which lessons and classrooms they should attend.

If you are concerned about these changes, please contact the College so that we can discuss this with you.

Thank you for your continued support. We hope you and your family enjoy a restful half term break.

Yours sincerely

K McGOWAN

Mrs K McGowan
Vice Principal
