October 2026

Dear Parent/Carer,

Tutor2U Grade Booster Workshop, Birmingham

We are pleased to inform you that your son/daughter has been given the opportunity to attend a **Grade Booster Workshop in Birmingham** on **Tuesday 24th November 2026**.

The workshop has been specifically designed to help Post-16 students maximise their examination performance and achieve the highest grades possible. During the day, students will work with experienced subject specialists who will provide expert guidance on:

- Examination techniques and strategies.
- Approaches to answering high-mark questions.
- Common mistakes made by students and how to avoid them.
- Revision methods that have been proven to improve performance.
- Tips for achieving top grades and reaching individual target outcomes.

This workshop represents an excellent opportunity for students to gain valuable insights that may not always be available within the classroom. By developing stronger exam skills, improving subject knowledge, and increasing confidence, students will be better prepared for their final assessments.

Many students who attend Grade Booster events report feeling more confident about their examinations and leave with practical strategies that can have a positive impact on their final results. As students enter a crucial stage of their studies, we believe this experience will provide significant support in helping them achieve their full potential and progress to their chosen university, apprenticeship, or career pathway.

Although the actual cost of the workshop is £62.00 per student, Minsthorpe Community College and the Social and Vocational Department have generously funded part of the trip, reducing the cost to just £20.00 per student.

Consent must be given on the Arbor App. Payments can be made by the Arbor App, credit/debit card both in person and over the phone or by cash in person. Please contact the Finance Team for further details. Please could payments be made by Friday 6th November 2026.

Students may bring a packed lunch or purchase food at the venue.
