Intro

This leaflet explains Minsthorpe Community College's ethos in terms of College uniform, gives a clear description of the uniform expectations and includes practical information regarding the borrowing and purchasing of uniform.

In addition to the leaflet, we have a detailed presentation with photographs which students receive both through assemblies and online. Parents/carers can view the presentation for themselves on the College website, as well as the Uniform Policy approved by the Governors.

Uniform

Guiding Principles

A College uniform is important because it creates an atmosphere of belonging. It signals to students that Minsthorpe Community College is a learning environment and that it is separate to other aspects of their life. Different rules apply and different expectations of how they behave and relate to one another also apply. At Minsthorpe Community College, we refer to these expectations as BE FAIR Everywhere. BE FAIR Everywhere leads to a safe, calm, orderly and supportive environment at Minsthorpe Community College which is supported by the wearing of the college uniform.

- ♦ Students wear their uniform with care and pride to represent the College.
- ♦ Our College uniform should be affordable. Any parent who is struggling with costs should approach the College and we will always endeavour to support them.
- ♦ The policy aligns with the DfE Statutory Guidance 'Cost of School Uniforms' in terms of limiting the number of compulsory branded items of uniform and PE kit to four. The four compulsory, branded items are the blazer, the tie, the PE polo shirt and the PE shorts.
- ♦ We make it our aim to make College uniform as accessible as possible to everyone, regardless of sex, ethnicity, age, religion or disability.
- ♦ The uniform policy should be easy to understand.
- ♦ The College organises nearly new uniform supplies for parents/carers.
- ♦ The College policy and the two accompanying documents are ratified by the College Governors with the above principles in mind.

The College maintains the right to make decisions about the suitability of clothing, hairstyles and makeup.

Potential issues with Uniform

Students who cannot wear the correct uniform for medical reasons (short term) must supply medical evidence. The College will put in place a risk assessment and/or reasonable adjustments, as appropriate.

College will lend clean uniform items to students, if necessary. College will also offer students a chance to rectify uniform issues, such as, false nails, eyelashes and piercings. If a student refuses to rectify these issues or wear the supplied uniform, they will be required to work in the Removal Room for that day.

After the day in the Removal Room given for refusal, the College expects parents / carers to resolve the uniform issue in liaison with the College before the student returns to College. Students will

be expected to stay at home until the issue is rectified. This absence will be unauthorised.

If in any doubt, please check with the Head of Year before making purchases/ changes to hairstyles etc. Be aware items identified as 'school uniform' or 'Back to School' in shops may not be accepted.

Students will not go into mainstream lessons until they have the correct uniform/hair/ nails/eyelashes/piercings. Banned items of jewellery and mobile phones will be confiscated. Students need to collect confiscated items from The Hub at the end of the College day.

Students who persistently refuse to adhere to Minsthorpe Community College's Uniform Policy will be sanctioned in line with the Behaviour Policy.
