

Student Entitlement for Careers Information, Advice and Guidance

Minsthorpe Community College aims to provide ALL students with a comprehensive CEIAG Programme.

Careers Education consists of explicit lessons through L4L, supporting you to develop skills, knowledge and understanding how to manage your own learning and career development. College will provide a learning environment where the importance of CEIAG is referenced across all curriculum areas. Students receive guidance interviews at key stages throughout their education, through 1-1 interventions and group work, this support is carried out by the careers lead and external agencies. Through careers education, information, advice and guidance, you will be able to feel positive about yourself, improve your motivation and raise your aspirations, taking responsibility for your career pathways.

We will support you to:

- Investigate opportunities in learning and work, such as technical education qualifications and apprenticeships opportunities.
- Hear from a range of local providers about the opportunities they offer, including technical education and apprenticeships – through options evenings, assemblies and group discussions and taster events.
- identify skills you have and skills you may need to support your future
- Broaden your aspirations and encourage you to reach your full potential
- Value inclusion, challenge gender stereotyping and promote equality of opportunity
- Make well informed and realistic decisions on your progression pathway
- Provide up to date Careers education, information advice and guidance
