

Enrichment Programme

From January 2025

Spring Term Activities

Minsthorpe
Community College

We are delighted to be able to offer a programme of enrichment activities for our students this academic year. We have a huge range of clubs to appeal to a wide range of interests for all year groups.

Morning clubs are from 8am until 8.25am and students must come to the Hub gate to get onto site to attend at that time.

After college clubs are from 2.30pm until 3.30pm and students should head straight to the club location at that time.

NEW Clubs are highlighted in yellow in this term's programme!

You will need to book enrichment sessions using the School Gateway app and they are all free of charge.

If you have any queries or questions, please contact Mrs. Drysdale via enquiries@minsthorpe.cc

Monday
