

June 2026

Dear Parent/Carer,

RE: Year 9 GCSE Options One-to-One Interviews – Friday 3rd July 2026

As I am sure your child has already shared with you, they will be having a five-minute one-to-one interview with a member of the Leadership Team on Friday 3rd of July 2026.

At the interview, your child will be able to share their future aspirations which will enable us to have a clearer picture for careers guidance and support. Your child will have their allocated GCSE options shared with them in a letter which they will be asked to take home to share with you.

Students have been made aware of their individual appointment times, and we hope they are looking forward to these conversations and receiving confirmation of their allocated subjects in readiness for Year 10.

Yours sincerely

S Lewis
