

Knowledge Organiser

Workbook

A place where everyone plays a part in
strengthening our learning community through
motivation, commitment and **care**.

Minsthorpe
Community College

Motivation • Commitment • Care

This Knowledge Organiser Workbook belongs to:

Name:

P&A Group:

P&A Mentor:

P&A Classroom:

How this workbook must be used:

BE HERE & ON TIME

Your P&A mentor will look at this book every week.
They will tell you which day they will be checking it.

My Workbook will be checked every Monday.

EQUIPMENT

You must bring your Workbook to college on your checking day.
Failure to bring the book / complete sufficient work will result in a half an hour Knowledge Organiser Commitment Session.

Failure to attend this session will result in an escalation through the college sanction process.

ACTIVELY ENGAGE

Throughout the week, you need to complete a minimum of FIVE subject boxes (all 11 subject boxes over the two-week timetable).
If you wish to do more, in an additional book of your own, we encourage you to do this – the more you do the more you will remember.

If you are absent from college for any reason, you will still be expected to complete the work. If you are absent on the checking day, your work will be checked by your P&A mentor on your first day back.

RESPECT

You must take care of this workbook, do not scribble on it, or deface it – this book should be your way of showing your Motivation and Commitment to securing your learning and the Care you have for your progress.

Take pride in completing the work.

You will be given a Workbook at the start of the year. If this is lost or defaced, you will need to replace this by buying a new one from college.

YEAR 8 & 9 ONLY RECORDING YOUR ENGAGEMENT

You need to record your percentage (%) engagement / outcomes for the thirty-minute Educake and Sparx additional home learning that you need to do.

Your P&A mentor and your maths and science teachers will also be checking that this is filled in and completed.
