

Minsthorpe Community College

Start Strong!

Every P&A will have their own Attendance Mascot.

Each week if your P&A group achieve the College target of 96% attendance or above, your mascot will be awarded with a 'block of gold' and progress on its journey to becoming the 'Strongest Attendance Champion!'

The better the attendance, the more your mascot will earn.

The P&A with the largest number of gold at the end of the first half term will win prizes and recognition.
