Mission Statement

Minsthorpe Community College: A place where everyone plays a part in strengthening our learning community through **Motivation, Commitment and Care.**

Minsthorpe
Community College

Section 1

Introduction

Section 1.1

This policy sets Minsthorpe Community College's ethos in terms of College uniform, gives a clear description of the uniform expectations and includes practical information regarding the borrowing and purchasing of uniform.

The college has made the decision to not have a long and exhaustive policy about College uniform. Instead, we have a short leaflet with the basic requirement of our College uniform which is mailed out annually to parents/carers. In addition, we have a detailed presentation with photographs which students receive both through assemblies and online. Parents/carers parents can view the presentation for themselves on the College website.

Section 2

Guiding Principals

Section 2.1

A College uniform is important because it creates an atmosphere of belonging. It signals to students that Minsthorpe Community College is a learning environment and that it is separate to other aspects of their life. Different rules apply and different expectations of how they behave and relate to one another also apply. At Minsthorpe Community College, we refer to these expectations as BE FAIR Everywhere.

Section 2.2

- Students wear their uniform with care and pride to represent the College.
- Our College uniform should be affordable. Any parent who is struggling with costs should approach the College and we will always endeavour to support them.
- We make it our aim to make College uniform as accessible as possible to everyone. Regardless of sex, ethnicity, age, religion or disability.
- The uniform policy should be easy to understand.

- The College organises nearly new uniform supplies for parents/carers.
- The College policy and the two accompanying documents are ratified by the College Governors with the above principles in mind.

The College maintains the right to make decisions about the suitability of clothing, hairstyles and makeup.

All students must wear correct PE uniform. A note from a parent/carer must be produced if there is a medical problem that means a student cannot do physical activity. However, students will still be expected to change into their PE kit and contribute to the lesson. The College will lend a clean kit if a student forgets theirs. Students who refuse to wear clean kit provided by the College will be sanctioned.
