Section 1

Work Experience / Work Placement

Aims

This policy seeks to demonstrate the commitment of Minsthorpe Community College to provide the opportunity for students to participate in an organised programme of high-quality work experience and work placement.

Principles

- Work Experience supports the whole college aims.
- For Level 3 students in Key Stage 5 there is an expectation to engage in work experience irrespective of ability, gender, or race, but must be in line with all Health and Safety procedures, during Enrichment. This can also be virtual if circumstances dictate.
- Students undertaking work placement as part of their course are engaged in safe relevant environment.
- Gender stereotyping of occupations and work roles is actively discouraged.
- Pastoral and Enrichment staff can make some contribution to the provision of the work experience programme.

Aims of Work Experience

- To prepare students for adult life.
- To enrich students' curriculum experience.
- To promote the benefits of lifelong learning.
- To develop students' employability and transferable skills.
- To enhance students' possibilities of study at university.
- To enable students to learn about the world of work and be better prepared for the transition from education to work.

Objectives

To offer students opportunities to:

- Assess their own skills, abilities, and work values.
- Working alongside someone in a work situation.
- Following routines and schedules of the working day.
- Develop their CV.
- Practice interview skills.
- Understand and put into practice Health and Safety regulations.
- Develop knowledge of economic and industrial issues.
- Understand relationships in the workplace and work with others.
- Identify skills and knowledge required at work.
- Review the labour market information and understand changing patterns of work.
- Widen knowledge of a range of occupations.
- Develop career management skills: decision making, action planning, presentation, and negotiation.
- Develop enterprise, employability, and transferable skills in particular self-confidence, motivation, demonstrating initiative, problem solving, communication and ability to work with others.
- Following instructions in a work situation.
- Record work-related experience through Work Experience tasks that will be set and recorded on Morrisby.

Work Experience / Placement in Key Stage 5 curriculum

The main areas which link the curriculum, and the work experience programme are:

- Personal and social education.
- Career's education and guidance.
- The actual work experiences.

Delivery of the Work Experience / Placement programme

- Summer 2, block placement week for Year 12 level 3 students
- Enrichment opportunity for work experience throughout the Year for KS5 students.
- Year 9 students – work shadowing day.
- Virtual work experience will be used where students can't get placements.

Section 2

Management Responsibilities

Role of the governors

- Supporting the Work Experience programme.
- Dedicated governor.

Role of senior managers

- Ensuring the aims and objectives of work experience are understood and valued throughout the College.
- Determining the time and resources to be given to work experience, the pattern of provision, the relationship with the wider community and how the programme will be monitored.

Procedure for SEND and Identified Vulnerable Students

- All work experience placements for students will be discussed with the SENCO/ Inclusion manager, who will ensure they suit their capabilities and depending upon the individual case, may contact the provider to discuss individual support which may be required.
- A Young Persons Profile will be completed and passed onto the students work experience provider.
- Work experience (Virtual) to support SEND and Identified vulnerable students (Undergoing development due to COVID).

Role and Responsibility of Students

- Be pro-active in finding a placement.
- Behave appropriately whilst on placement and sign up to the MCC Work Experience Code of Conduct.
- Notify the placement and the college in the event of absence for any reason on the first day of absence and on subsequent days.
- Notify the college in the event of any accident sustained whilst on placement.
- NOT move placements without prior agreement.

Links with Placement Providers

The co-operation of employers is greatly valued by the college. Close working relationships with them will be fostered through the provision, by helpful written information, telephone or email contact, and visits to the premises. The needs of employers will always be given careful consideration. They will have the opportunity to be fully involved in all aspects of the work experience / placement programme. Students and staff will be encouraged to see themselves as ambassadors for the school in all their contacts with employers.

Employers will be asked to:

- Provide an induction programme which includes Health and Safety briefing and discussion of the student's goals and objectives.
- Provide a structured placement programme with a named supervisor who will support the student whilst on placement.
- Contribute to the assessment of the student on placement.
- Contribute to the evaluation of the work experience programme.

Links with Parents

Parents have a significant role in supporting students on their work experience / work placement. They are entitled to full information about the work experience programme and to contribute to its evaluation.

Parents will:

- Be given information about work experience / work placement by letter, with a request for them to sign the Parental Consent form for their son/daughter to undertake work experience / work placement.
- Be given copies of son/daughter's Risk Assessment in line with our school policy (Year 7-11)
- Inform us about any health problems or difficulties, which might be relevant to the type of work they should avoid.

Health & Safety

Health and safety awareness is built into the P12.3 induction Programme. For other work experience this is addressed through the preparation programme prior to students undertaking work experience.

No student will be allowed out on work experience / placement until all Minsthorpe Community College's Health & Safety procedures have been completed and the relevant permission forms have been returned.

Employers are asked to brief students on health and safety matters either on a pre-placement visit or at the beginning of the placement.

Resources

Human Resources will support with DBS checks where needed.
